# KING DONG!

## Mad Mexican won't surrender his massive weapon

**R**OBERTO Cabrera has vowed he won't give up his monster cock until they pry his COLD, DEAD HANDS from around it.

Bob, from Saltillo, in Mexico, reckons he has the world's biggest penis, although most of his 48cm schlong is FORESKIN.

He's been advised – by his fucken DOCTOR, no less – to have an operation to trim it back because it causes him all sorts of medical problems, including frequent urinary tract infections.

He can't even have sex with it, which makes it a DISPLAY MODEL only.

But Bob's adamant – it's his dick and he's HANGIN' ON TO IT.

"I am famous because I have the biggest penis in the world," he says. "I am happy with my penis, I know nobody has the size I have."

Bob, 54, achieved his ROPE-LIKE ROOT-ROD by hanging weights off his foreskin when he was a teenager, so maybe he just doesn't want all that effort going to waste.

But it appears he'll never achieve his lifelong dream of being in the Guinness Book of World Records.

"I would like to be in it but they don't recognise this record," SOBBED BOB.

So he'll just have to keep using it to WIN BETS in bars instead. **Picture**

# LIMA *Evita!*

Hooray for  
world peace  
and big tits!

**S**OME nude models are party girls, always out on the razz, necking Malibu and twerking on tabletops in fancy nightclubs. Not so Evita Lima, whose 36D DEATHSTARS, long, pliable legs and succulent smoo you're probably CRACKING ONE over right now.

The 21-year-old from the Ukraine has more on her mind than just a great head of shiny brown hair that probably smells like fresh flowers.

Sure, she doesn't mind the odd glass of WHOITE WOINE and a turn around the dance floor now and then, but even as she's been causing crashes on the internet with her sensational photo shoots for the past three years, she's been studying hard to MAKE A DIFFERENCE in this crazy old world.

**LIMA'S  
BEANS!**

**New Tits**

**On the

"I want to help people change themselves and their lives," she says, her big, brown eyes filling with salty tears of COMPASSION.

"It's so great to make this world better."

Don't we know it, love. It's what we've dedicated OUR lives to as well.

To that end, Evita has been hitting the books at uni – we dunno which one, probably good ol' Kiev U – with an eye to HELPING HUMANITY.

"I decided that my biggest wish is the work of a psychologist," she declares, absentmindedly stroking one chewy nipple into erection.

"Scientists have recognized that we know about space much more than the human brain.

"Mental processes, everything that happens to each of us, still remains a mystery. I think that every person needs to know himself," she sighs, casually fingering her MOIST MOOT.

Evita, you took the words right out of our mouth. Now pardon us while we RUB ONE OUT. ■ **Picture**

A woman with long, dark, wavy hair is posing in a white bathtub. She is leaning forward, looking back over her shoulder at the camera. Her hair is wet and cascades down her back. The background consists of white horizontal wooden planks. In the top right corner, there is a blue and white logo that reads "VIVA Evita!". The word "VIVA" is in a bold, blue, sans-serif font, and "Evita!" is in a white, cursive script font with a blue outline. The entire image is framed by a thick black border, with blue triangular shapes in the corners.

## THREE-FOR-ONE

A POMMY sniper in Iraq has knocked off three ISIS terrorists with a SINGLE BULLET. He got the pricks just as they were about to machine gun a bunch of civilians. From an already impressive distance of 1.8km, he hit the first bloke in the head, with the bullet continuing through and getting the second in the chest. It then ricocheted off a wall and hit the third cunt in the neck. They're not bad, these Pommy army snipers. Imagine how good they'd go if they could afford MORE BULLETS.

That's bang for ya buck!

## LIFE IN THE BIG CLITTY

SYDNEY artist Alli Sebastian Wolf's latest creation is a giant, sparkly clitoris so big even WE could find it. Alli says she made The Glitoris to educate people on the LITTLE MAN IN THE BOAT. "It's political and feminist, but also a celebration," she says. "It's a hell of a lot of playful fun. Under the surface it's so much more. Maybe someday we'll have as many clits graffitied on toilet walls as penises. That'll be a good day." Not if you're the bloke who has to PAINT THE WALLS.

## TUG TIME

TAKING a break to SLAP THE SALAMI or TICKLE THE TACO at work may be the key to world prosperity, according to a couple of eggheads. Psychology professor Mark Sergeant of Pomgolia's Nottingham Trent University reckons having a WANK AT WORK would boost productivity and make employees happier. His findings were backed up by another pommy shrink, Dr Cliff Arnall, who said "I'd expect a masturbation policy to result in more focus, less aggression, higher productivity and more smiling." They were FLAPPING THEIR gums after a survey come out showing that 39 per cent of blokes and 31 per cent of women had FLOGGED IT at their work.

THAT'LL learn ya to tie down ya loads nice and tight. Fucken roofing metal isn't cheap, ya know. It might've got all bent, and then it's no good and ya gotta chuck her out and get a new piece. Not to mention the cost of a new wind screen for the Commodore. Fuck, this bloke must be thanking his lucky stars it didn't scratch the bonnet!

## E-YOUC!

THEY'RE gunna have to start putting health warnings on those e-cigarettes. A Seppo bloke lost seven teeth when his ELECTRO-DURRY exploded in his mouth the other day. Andrew Hall, from Idaho, was also left with chunks of plastic wedged into his face and second degree burns. "I've been vaping for about a year now and assure you I did not do anything I wasn't supposed to – but it exploded in my face," he BLABBED on social media. "There was a huge amount of damage to the room in my house I was in as well." At least regular gaspers take a while to kill ya.

## HARDENED CRIM

AN ITALIAN Mafia don tried to get out of a prison sentence because he had a PERMANENT AND PAINFUL STIFFIE brought on by years of snorting cocaine. Francesco Castriotta, 42, who had already done a runner while under house arrest awaiting trial, was finally re-arrested, tried and sentenced to 21 years for drug trafficking. At his first hearing, he clutched an icepack to his RAMPANT KNOB and complained that sending him to prison with his condition – known medically as priapism – would be "cruel". We reckon his prison nickname will be 'TOWEL RACK'.

Best bonkers get gongs  
at porn film awards

**L**OVE was definitely in the air at the 2017 AVN Awards in Las Vegas. Well, maybe it was just HORNINESS, but it's a fine line, y'now?

The stars of the jizz biz turned out in their droves at the Hard Rock Café for what is widely regarded as the Oscars of porn, only it's WAY BETTER than that 'cos there's heaps more TIT and the speeches aren't so poncy.

Hosted by **Riley Reid** – who picked up a few gongs herself on the night –

Adriana  
scores a stiff  
gold one

the awards highlighted the best, the brightest and the SM00-UEST that porn has to offer.

Riley, with HER MUM watching from the audience, Won Fan Favourite Female Star and Social Media Star, as well as one for Best Girl/Girl Sex Scene for her moot-munching efforts with Reena Sky in *Missing: A Lesbian Love Story*.

**Adriana Chechik** won Female Performer Of The Year, as well as best Oral Sex Scene for her excellent gob work in *Adriana Chechik: The Ultimate Slut*.

"I'm happy to know that the 92 scenes I put in this year finally counted," she said. "I'm going to remember this forever."

We dunno if Adrianna's mum was there, but if she was we reckon she would have been PROUD AS BUGGERY.

Speaking of which, **Megan Rain** COPPED ONE for Best Anal Scene for her bum acting in *Anal Models*, while Holly Hendrix BEAT OFF a hot field to win the Best New Starlet.

And we must give a special mention to **Abella Danger** who won the award for Best Double Penetration Sex Scene. We actually think she got DUDDDED 'cos they really should have given her TWO. **Picture**

**W**E WANNA join the Danish army. It looks as if they really know how to enjoy themselves, and recycle cool military shit at the same time.

Danish digger Kim Scharbau had a BRAINSTORM when the army started replacing its old M113 armoured personnel carriers with shiny new jobs.

He got hold of one of the old APCs, CUT THE FUCKER IN HALF and turned it into a BAR for the boys at the Oksbøl Army Combat and Fire Support Centre in Denmark.

Well, not the BOYS, actually – just the officers and sergeants. The ordinary shitkickers have to drink their Carlsbergs ELSEWHERE.

But that's all the more incentive to climb the table of command so they can become generals, get TANKED UP at this beaut bar and invade Russia.

Cos they've probably been wanting to do that for YEARS. ■ **Picture**

# MIND-BLOWING

Drag legend actually exists!

**F**OR years, this mythical supercharged monster was thought to be just that – a myth. But new evidence confirms the existence of the dragster with the biggest blower EVER.

In an on-line interview, its Seppo owner 'Mikey' explained how the legend came to be.

"My dad bought it (the supercharger) in a junkyard," the

laid-back drag racer says.

"We think it came off a freight train. It was so cool we just had to stick it on the motor."

*So how does she go, mate?*

"I've fired it up once. I just blipped the accelerator and it raised the front wheels an inch and blew both head gaskets."

Still, it had to be done. Thanks, Mikey. You've made the world a better place. **Picture**

# BUBBLE

## BUTTS!

**W**E ARE in the age of the ARSE. These days if you're a porno star, it's all about the boo-tay.

Now, we're not sayin' tits are out of style – God forbid – but everyone wants to see them bouncy BEW-TOCKS.

'Bubble-butts' they call 'em in the USA, but this side of the Pacific we reckon we can call 'em anything we like. **Picture**

We've really hit bottom this time

## REMY LACROIX

The star of dozens of bum-centric pornos credits her Portuguese heritage for her beaut boo-tay. "All the women in my family have the same body shape, so I think that counts for a lot of it," she reckons.

## JAYDEN JAYMES

Jayden knows a CLEAN ARSE is a HAPPY ARSE, so she gives hers a sudsy rub-down daily. It's said in the porn biz that Jayden's butt is so clean and shiny, you can see your face in it. And we sure can. Mm-mm!

## MARY JEAN

The star of *Booty Talk 99* and *She Got Ass*, Mary has the kind of behind that looks like it's twerkin' when it's just standin' still. No, really – stare at this photo long enough and you'll swear it's moving. But if it starts TALKING TO YOU, it's time for a lie down.

## MIA MALKOVA

It speaks volumes about Mia's PHENOMENAL BOTTOM that she's managed to climb to the peak of her profession – that's porn, by the way – seemingly without anyone even noticing she has QUITE SMALL TITS. That's the power of the bubble-butt for ya!

## JADA STEVENS

The star of no less than EIGHT volumes of the porn series *Ass Parade*, Jada is more than qualified to be here. Just look at that butt! Globular perfection and with a nice tan, too. Well played, Ms Stevens!

## JESSIE ROGERS

Unfortunately, when Jessie toured Australia in 2015 showing off her DJ skills as part of the Stereosonic Festival, we didn't get to see much of her arse. So here it is. You can thank us later.

## KELLY DIVINE

"That's not an ass – THIS is an ass!" Kelly seems to be saying. And we won't argue with her. After all, she has starred in so many bum-worshipping pornos, one day we expect to see her arse on a STAMP. And we look forward to LICKING IT.

## JASMINE WEBB

This Pommy porn star has the face of an angel and the bum of a DUSKY GODDESS. The only trouble with that is if we ever met her, we wouldn't know which to kiss first. Maybe just start at one and work our way to the other...

# BYE BYE, JESSE

Baroness of bonking hangs up her smoo!

**H**ANG on to your hats, porn lovers, this is big – JESSE JANE HAS RETIRED! AAAARGGGHH! Not our Jesse! NOOOOOO!

The blonde bonking machine made the FLABBERGASTING announcement on a morning radio show out of St Louis, Missouri, USA, and suddenly the world was a much sadder, LESS SMOOEY place.

"I've done it for 15 years, it's time to focus on my other businesses," the veteran schlong-wrangler told *Morning After* host Ryan Kelley.

She cited the changing landscape of the porn biz as another reason she was bailing out, but, as always,

she was a PROPER LADY about it.

"I had the best time of my life, I'm never gonna knock porn, I love porn. I met the coolest people and I had the best time."

Jesse shot her last ROOTING scene four months ago, but reckons she'll still do the odd photo shoot.

PICTURE staffers fondly recall the day she dropped in on us to play some office cricket, sink a few beers and GUEST EDIT the mag, so we immediately TWEETED our best wishes to the lil darlin'.

Straight away she TWEETED back her thanks. "It was great!"

It certainly was. Via con Dios, honeybuns! ■ **Picture**

TWO gay blokes are on a plane. Their names were Justin and Ryan.

"Dude, what if we had sex?" asks Justin.

"You crazy? Here, on the plane?" replies Ryan. "It would be awkward, everyone would watch us doing it."

"Man, nobody is even paying attention to anything. Look!" says Justin, standing up. "Could I have a pencil, please?"

Nobody even looks up; everyone is sleeping, reading, looking out the window, or otherwise occupied.

"They really wouldn't care then, would they?" says Ryan.

So Justin and Ryan have wild sex on the plane.

Later, when the plane arrives to the airport and the people are leaving, the stewardess sees an old man who threw up all over his shirt, even his pants are soaking in the filth.

"Sir, you should've asked for a bag!" she exclaims.

"I didn't dare," whispers the old man. "A few rows ahead I saw a man asking for a pencil and he got fucked in the arse."

TWO deaf people get married and during the first week of marriage, they find that they are unable to communicate in the bedroom with the lights out since they can't see each other signing, or read lips.

After several nights of fumbling around and many misunderstandings, the wife figures out a solution. She writes a note to her husband: 'Honey, Why don't we agree on some simple signals? For instance, at night, if you want to have sex with me, reach over and squeeze my left breast one time. If you don't want to have sex, reach over and squeeze my right breast two times.'

The husband thinks this is a great idea. He writes back to his wife: 'That if she wants to have sex with him, reach over and pull on his penis one time. If she doesn't want to have sex, pull on his penis two hundred and fifty times.'

"My son," the priest said. "I know this is hard on you, but eventually the pain will go away and you will find another fine woman, marry again and forget about all this in years to come."

"Yeah, yeah I know all that," Harry sobbed. "But who's gonna cook me dinner and let me root her tonight!"

Her boyfriend asks, "What is it supposed to be when it's finished?"

The blonde says, "According to the picture on the box, it's a rooster."

Her boyfriend decides to go over and help her out with the puzzle. She lets him in and shows him where she has the puzzle pieces spread out all across the table.

He studies the pieces for a moment, then looks at the box, and turns to her and says, "First of all, no matter what we do, we're not going to be able to assemble these pieces into anything resembling a rooster."

He then takes her hand and says, "Secondly, I want you to relax. Let's have a nice cup of tea and then... let's put all these Corn Flakes back in the box."

**MUNGO'S ON TWITTER**

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at: <https://twitter.com/ThePictureMungo>

## HOW'S THE WEATHER UP THERE?

MUNGO, being a tall bloke, you must appreciate the benefits of a tall sheila. While pocket rockets are great, having a long pair of legs to wrap around you is the best. I always loved the pommy porn star Ashley Long, who was round 180 cm, but I think she's retired now. How about getting some of the other lanky porn sheilas in the mag in a Tall Girl special?

B.H., CAULFIELD, VIC

**MUNGO SAYS:** *Top suggestion! I was a big fan of Ashley Long too. Did you know that before she got into porn, she used to be a forklift driver? Multi-talented, that sheila. Other skyscrapers I*

*know of are Suzie Diamond and Holly Michaels, both 180cm, and Lauren Phoenix and Carmella Bing, both 178cm, but I'm sure there are more. Yep, I love me a lofty lady!*

## THE MORE THE HORNIER

MUNGO, I'm sure I'm not alone in wanting to see more multiple girl photo shoots, preferably with three or four naked stunnas all piled on top of each other. I know they can't fully lez out in the mag, but just the sight of naked sheilas' bodies sliding all over each other would do me.

How about it, will you help a fella out?

TOM, MORPHETVALE, SA

**MUNGO SAYS:** *A fair request. If one is horny, four will be four times as horny. Ya can't argue with that logic. We'll scrounge around and see if we can find some multi-girl pile-ups for ya.*

## YOU SEXY THING!

HAVE you ever thought about being a male stripper, Mungo? I'm thinking that since you have a bit of fame, you could get some gigs based just on that, and pick up the finer points of it as you go. I'd be happy to act as your manager for a reasonable fee.

JULIE, TOWNSVILLE, QLD

**MUNGO SAYS:** *I've not only thought about, I've done it. Purely on an ad hoc, amateur basis, of course – few gallons of goon, got a bit frisky, shirt came off, then off came the strides, and the jocks, and the next thing I know I'm lying out the back of the pub where they keep the bins wondering where me wallet is. I'm told I put on a pretty good show, so if I could pick up some drinking money doing it, sure, why not.*

Did ya notice? THE PICTURE costs 50 cents more from this week. But every week we're gunna put at least a dollar's worth of more good shit in it, so really you're gunna be 50 cents ahead. Bargain!

## THE FIRST TITS

NOW that Trump is president, I'm getting a big stiffy over his missus, Melania. She was a model before they were married, so I'm guessing there has to be some nude pics of her out there somewhere. If THE PICTURE is still the leader in nude chick journalism, as [I think it is, surely you can drag some up for us readers? And what do ya think about the Donald, Mungo?

T.P., ARMIDALE, NSW

**MUNGO SAYS:** *What I know about American politics you could write on one of those really small post-it notes, and still have room for my list of Reasons Why Vegans Are Dumb Cunts, which is pretty long. Can't say I'm a big Donald fan, but fuck it, he's the Seppos' problem. His spunky missus, on the other hand, belongs to the world. Enjoy.*

**TRUMP'S LUMPS!**

Might need to practice ya titty drawing, D.P.

## RENO RUMBLE

THE missus wasn't very happy that instead of doing renovations we got on the beers, played with the spray paint and kicked back reading PICTURE mags. Now that's a good life. What more could you want?

D.P., GLADSTONE, QLD

**MUNGO SAYS:** *Maybe my footy team getting a few wins this year, and less*

*dogshit on the lawn. Oh yeah, and world peace, but I don't wanna be greedy. And of course your missus wasn't happy. You were having a good time doing bloke stuff, and she wasn't involved. They hate that. Any time they see you doing some little blokey thing that makes you happy, they're gunna try and stop it. That's their job. Read the fine print.*

Hungry like  
the wolf!

C'MON, I'LL  
HAVE YA!

# GRIN & BEAR IT

Just imagine it – you're a pack of wolves who've just dragged down a deer, ripped its throat out and are about to chow down on its still STEAMING CARCASS. Just another beaut family day out with the wife and kids, like something out of a fucken DISNEY MOVIE. Then along comes a fat-arse fucken grizzly bear who decides he's got dibs on all that tasty Bambi meat, and starts helping himself. So now you're thinking, "Well, we're wolves, right? Apex fucken predators, or so David fucken Attenborough tells us. So let's TAKE THIS CUNT DOWN!" And that, readers, was the start of this god-awful fucken BROU-HA-HA in the aptly named Crazy Mountains, in Montana, US of fucken A. The wolves kept going the big bastard grizzly, but the bear wasn't gunna give up a free feed of venison without a fight, so he's king-hitting the cunts and tryna rip their entrails out and drape them over the bushes like GODDAMN STREAMERS. Jaysus! Fucken nature. If you want our advice, you should never leave the pub. Dead set, it's FUCKED out there.

## RUM MOUNTAIN

It's the biggest slippery-dip-around-a-giant-rum-bottle ride in the YOONIVERSE! We give you a belly full of fightin' juice before you get on, then you get in a cart and whizz around and around the bottle until it chucks you out into the carpark, where you can throw up and punch on with the other drunks. Magic!

**G** IZ your life savings and the keys to ya car? Fuck ya then. G'day. Carl here with some fucken exciting news – I'm opening my own theme park!

I figure if Dolly Parton can do it, so can I. And I've learned from Clive Palmer's mistakes,

so there won't be any shitty plazzo dinosaurs cluttering up the joint. Just good, clean, Aussie fun for good, clean, Aussie drunks.

It'll be heaps of fun. Just leave your credit card and pin number with the attendant at the front gate. Here are some of my TOP RIDES: ■Picture

## COPPER ISLAND

Once you've been on a few of the other rides and you're tanked up and fighty, enjoy our free paddy wagon rides to Copper Island! Enjoy the thrill of being whacked in the head with a phone book before being chucked in a cell that stinks of piss and chunder for eight hours. Comes with free mug shot to take home! (Legal fees not included.)

## THE GOON-GO-ROUND

Basically, it's the world's biggest game of Goon of Fortune, with a Hills Hoist so big it covers a hectare and more goon bags that I've seen in my life. It'll be one of the modern wonders of the drunk world. We'll have international goon as well, so foreign tourists will feel right at home suckin' the cheap, crap wine of their homeland off a clothes line.

# WELCOME TO LAGERLAND

## LAGERLAND

WATERLOO!  
YADA YADA YADA  
WATERLOO!

### FREE CONCERTS!

The Amy Winehouse Arena will host daily concerts, mostly consisting of housewives off their tits on spumante singing Abba songs, hammered blokes playing air guitar to Khe Sanh and smashed hens' parties miming to Taylor Swift. And on Tuesdays, Peter Andre!

### FREE DRINKS!

Carl's spunky Lager Elves will be walking around with jugs of beer to top up your glass while you're standing in queues for the rides. Or for the ladies, a nice glass of red or white from the Chateau Collapse range of FOINE WOINES.

IT'S ALMOST  
TOO MUCH  
FUN!

### IT'S A BEER WORLD

Ride in a leaky boat along a river of beer, while animatronic figures of drunks from beer-drinking cultures round the world yell obscenities at you in different languages. Be verbally abused by pissheads from Germany, Ireland, Belgium and Pomgolia while you bail furiously to stop from sinking. As an bonus, you get to drink all the beer you bail!

## DOUBLE PLUGGER

ME AND my mate met this chick out and ended up taking her home and double-teaming her. While we were rooting though, my mate kept looking at me and smiling and I swear I saw him looking at my cock. It was my first threesome, so I wasn't sure how to act. Should the two blokes in a devils threeway interact during the fucking?

F.H., WHITFIELD, VIC

**TRINITY SAYS:** *Absolutely! Mate, ya only live once so why not at least try it. I know loads of guys who like it in the arse but are far from gay. At the end of the day it's a bit of fun and secretly us girls love seeing the boys have a little play too. You were probably just being over conscious 'cos it was your first time but next time just get amongst it - or at least try get two girls!*

## LEZ BEGIN!

I'M A 37-year-old woman and I've never kissed another lady. I feel like I'm missing out. So this year, I'm making it my goal to hook up with a hot woman! What do you love about making out with chicks?

H.C., PALMVIEW, QLD

**TRINITY SAYS:** *I love everything about women; the shape of their bodies, the way they dress, the way they move, the noises they make, their smell, how can anyone not love a well-kept woman. They kiss so deeply and there's so much more of a connection when you're with a woman in my opinion. Get on that girl!*

## GOT MILK?

MY MISSUS just had our first child and it's all wonderful and everything, but the picky little fucker only wants the milk out of her left tit! So her right boob is all big and swollen full of milk and I would absolutely love to suck it dry for her but she thinks that's weird. What do you reckon, Trin?

J.A., CLINTON, QLD

**TRINITY SAYS:** *Yeah mate, it's weird, but I like weird. To be fair, she needs to release it otherwise it could turn to mastitis and that's not good for mum or bub. You'd be doing her a favour and getting yourself off at the same time. Tell her to relax and go for it, it's for health benefits!*

## TITS ON TOUR

TRIN, where can I see ya perform next? I'm from Perth, but travel a bit for work so tell me all the dates. Also, would you sign my cock for me? Just for a laugh, y'know.

ZAPPA, PERTH, WA

**TRINITY SAYS:** *I'd love to sign your cock mate. I've signed all sorts of things in my lifetime, even prosthetic limbs! As for performing, I'm not sure when my next date will be as I'm currently overseas getting nude international style, but when I'm back I'll be sure to announce it.*

## OUR FIST TIME

MY WIFE and I have decided that we'd like to give fisting a go. We were just wondering how do we start? The whole fist right up there to begin with would hurt I'd think. And will it make her vagina looser over time? Have you ever tried it?

P.G., CLANDULLA, NSW

**TRINITY SAYS:** *Yes, I certainly have. Fisting can be great when done properly. Start slow and steady with loads of general foreplay first to get her nice and aroused and then start the fingering/ internal massage (twisting motions with slow ins and outs) just with one, then two and so forth (plenty of lube of needed as you progress to three and four fingers). Also, don't make an actual fist, it's more like all five fingers together similar to a duck's beak.*

## FAT CHANCE

I'VE got a problem, Trinity, I'm a big fat guy and chicks never talk to me. Even fat chicks blank me because there are so many skinny guys that have chubby fetishes these days. I'm not too fussed about my weight, and I'm not changing for anyone. But I wondered how I should go about getting laid without paying for it or losing any weight.

I.R., NEWMARKET, QLD

**TRINITY SAYS:** *Well, mate, you need to weigh up your priorities. Your health for starters (it's not good being overweight no matter how comfortable you tell yourself you are) and if a relationship/female interaction is more*

## TRINITY'S SEX TIP

*Wanna know the reason chicks love going on top so much? Clitoral stimulation! While they're rooting you from above, your pelvic bone grinds against their clit and your cock stimulates the G-spot inside. Personally it's my preferred way of coming. So boys, give us a go on top!*

*important than carrying the lard. Sorry to be harsh, but I'd say get in shape (I'm not talking about body builder style or anything) and then watch life flow easier around you. At the end of the day the ladies should like you for you, but in my opinion initial attraction counts.*

## GASH FLASH

DO CHICKS like wearing no panties? If I didn't have junk between my legs I'd free-ball all the time. Do you ever go out pantieless, Trin?

N.T., MIDDLE ARM, NSW

**TRINITY SAYS:** *I think the only time I wore panties in the 10 plus years that I was a stripper was to work and that's only to take them off! Nowadays I just go free flapping on a cheeky night out*

*and hopefully get a digit slipped in there at some point.*

## JUNK IN THE TRUNK

HEY Trin, I'm a lady with a rather large posterior, or in other words I have a huge arse! My new boyfriend is a great guy, but he has a bit of a smaller penis and we have trouble doing it doggystyle – have you got any hints for a big bummed, small dicked couple to do it doggy?

B.G., LOWER ACACIA CREEK, NSW

**TRINITY SAYS:** *Girl, you grab those cheeks and spread 'em as far apart as you can! It makes for a great view for the bloke and can allow more room for his little cock to get in there. Otherwise he'll just have to settle for fisting you in doggy.*

TRINITY WANTS TO HEAR FROM YOU!

**W**E ALL know pretending to be hurt is high on the list of soccer players' favourite things to do, along with slapping each other on the arse and running around like demented chooks after they score a goal.

So when Borussia Dortmund striker Mario Gotze dropped to the ground clutching his TADDIE SACK during a match, everyone assumed he was just tryna pull a

penalty and get his face on telly.

But if you were paying attention to the match – and we WEREN'T 'cos it made us FALL ASLEEP – you'd have seen Mario's team mate Robert Lewandowski belt the ball straight into the young fella's babymaking gear from about two metres away, sending him tumbling straight to the turf screaming for his mum.

Now, while soccer players might seem pretty wussy, these blokes can kick a ball

REALLY FUCKEN HARD, so it was a relief to see that after only a few minutes of writhing about on the ground like a COMPLETE SOFT-COCK MARSHMALLOW NANCY-BOY, Mario was back up and slapping his team-mates on the bum again like a champion. Onya Mario.

The impressively quick recovery was probably due to the fact that Lewandowski was leaning over him screaming, "GET UP YA SOOK!" **Picture**

"The best. One time, with a friend, we picked up these two guys and went back to their room and we both start sucking their dicks next to each other. My guy was much happier with my blowjob than my friend's guy was with hers!"

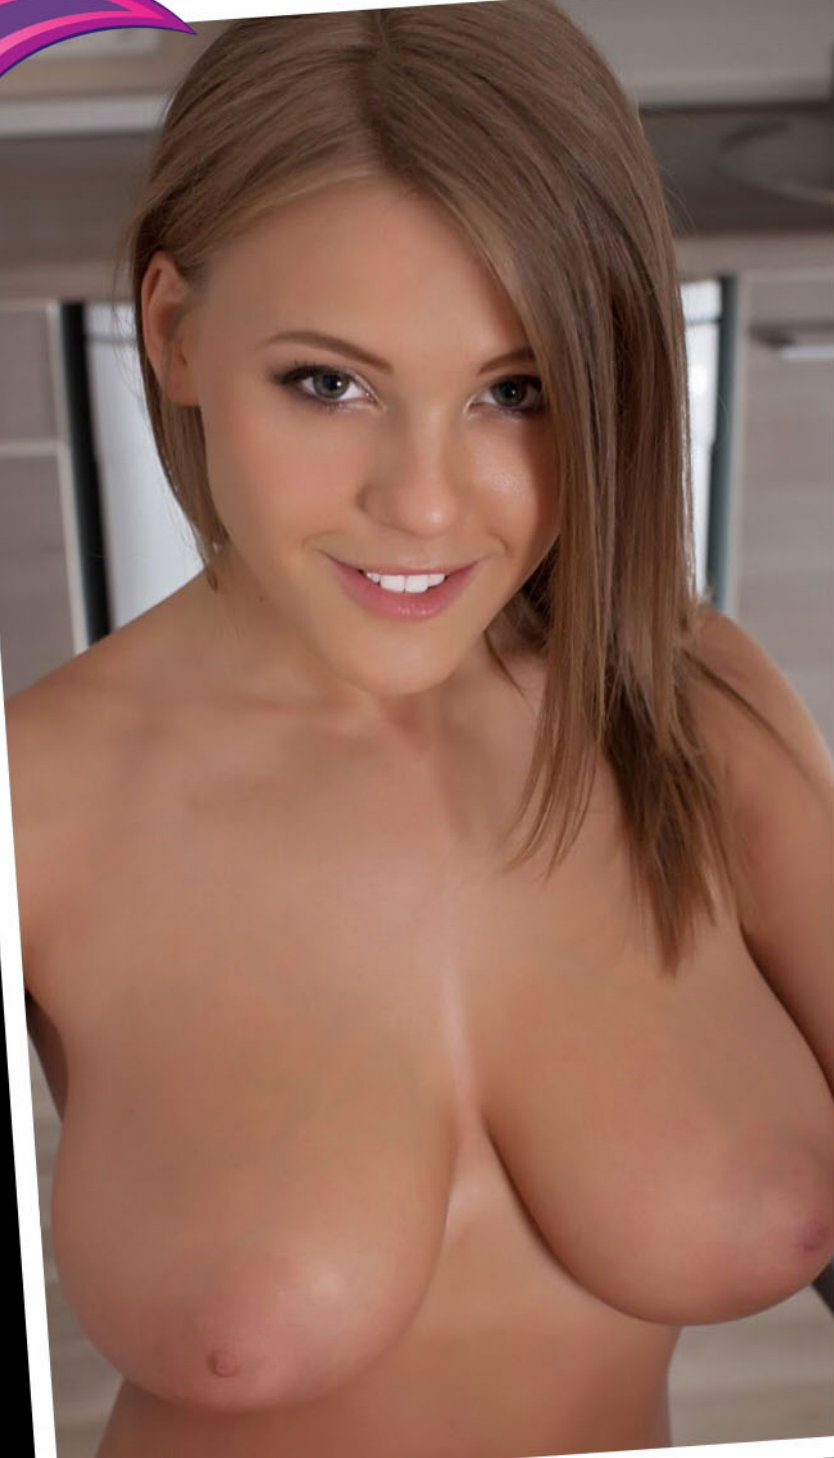

**You're saying you're better than your mates?**

"Well, yes. But maybe they are better than me at other things – like reading or maths or something!"

**How does your bloke feel about you posing nude for the magazine?**

"It was his idea! I love being nude so he suggested I do some modelling for magazines. It's really exciting. I just hope my dad doesn't buy a copy."

**You've got a cracking body!**

"Yep, just a few weeks back my man and I did it on the kitchen bench. I just bent over and one thing led to another."

***Is that your favourite sex possie?***

"For sure. I love sex from behind. It just feels more naughty or something. It's definitely the easiest way if you want to have a quickie. I've never been a big fan of the missionary position for some reason. It just seems boring."

## THE BIG SERVE

**E**VERY year around Australian Open time, me and my mate Rob decide we're tennis champs and head down to the local courts for a hit. We're shit, but it's a bit of fun.

This one time we were bashing a ball around when we noticed a spunky, athletic-looking babe on the next court on her own.

Her mates hadn't shown up, so we asked if she wanted to have a hit with us. She said yeah, and she cleaned our clocks big time. Turned out she was an ex junior champ, but she was dead nice and after thanking us for the game asked us back to her place for a coldie.

As we were necking our beers she kept giving us quick looks up her tennis skirt at the crotch of her frilly panties. Then she came over to me, ran a hand up the leg of my shorts and asked: "Fancy a game of two on one?"

Fuck yeah! We piled into her bedroom, which was full of trophies and tennis gear, and she stripped off, revealing a super-hard body with a washboard stomach and muscly legs. Me and Rob were both knackered from the tennis game, but she was just getting warmed up.

We let her call the shots, so she got herself on all fours and dragged me round in

front of her so she could gob me off while Rob fucked her doggie. From my end I could see her hip movements as she squeezed my mate's cock with her muscular smoo, while maintaining a deep-throat action on my dick and occasionally sliding her tongue out to lick my balls.

We were all sweaty as fuck, which just made it seem more like we were in the changing rooms at Wimbledon after finals match. She wore us out, then apologised for pushing us out the door because she had a fitness session that evening. Reckon I'll see her on TV winning a grand slam one day.

## THE PAYBACK

**M**Y FIRST three-way was a revenge fuck on my ex, who had just dumped me for another woman after I'd supported him through two years of uni on my wages as a waitress.

I was more mad than hurt, though, and since I was good friends with some of his mates I accepted when a couple of them asked me out for sympathy drinks.

They were nice guys, and they were pretty pissed off with the way he'd treated me. After a few cocktails I was feeling better and laughing for the first time in weeks.

I don't think they had any motive other than to cheer me up, but after a while I started thinking, "I'm a free woman now, I've never had a threesome, so why not?"

I manoeuvred the conversation around to how horny I was now that I was single, dropping hints like crazy, and eventually they cottoned on.

I asked them back to mine, and as we were getting cosy on the couch one of them, Adam, was gentlemanly enough to whisper in my ear: "Are you sure you're up for this?" I replied by buying my head in his crotch and biting his cock through his cargos, while I reached over and grabbed Brett's hard-on to make sure he didn't feel left out.

I made them sit there while I did a striptease for them, and I felt so horny being naked in front of two fully-clothed guys I literally had juice running down my inner thigh.

When I straddled Adam I was so wet his meaty cock slid into me in one movement, and I just kept wanking Brett off as Adam fucked me. After he'd come inside me, I threw myself down on the couch and spread my legs so Brett could fuck me missionary.

It was all over in about 15 minutes, and they hadn't even spit-roasted me or anything, but it was so much fun I'm gunna have them back for another go. I think being single is going to work out fine.

## SHARESIES!

**I**HAD been bonking this older woman, Julie, for a while, and started to realise how good sex could be when romance didn't get in the way and you were just in it for the rooting.

I knew she fucked other blokes and I didn't care, but she surprised me one day when she let it drop that she'd been having a fling with another woman. We were in bed at the time, and she must've noticed me chub up instantly, 'cos then she said maybe the three of us should get together for some naughty fun.

I wasn't gunna say no to that, so she set it up for the following weekend.

When I went round to her place on the night I was stoked to see that Bianca, her friend, was this really fit babe who, oddly enough, looked enough like Julie so that they could be sisters. They weren't, but.

The funny thing was, Bianca was just as excited about this as I was, because apparently Julie had been telling her that I was a pretty good root, and had offered to "share" me with her, so all three of us were really into it.

Julie generously let me and Bianca explore each other's bodies while she lay back with her legs apart, fingering herself and occasionally reaching over to lick a nipple or stroke a thigh.

When I spread Bianca's legs and slid my cock into her waiting pussy, Julie moved in and straddled Bianca's face to have her smoo licked, at the same leaning in to give

me a big, wet kiss. Soon all three of us were groaning our way to orgasm. Then I took a break and watched while the girls 69ed, and as soon as I could get it up again, Julie beckoned me over to fuck her from behind while Bianca alternated between licking Julie's clit and my balls.

We had a great time, and no-one was jealous of anyone else – just how a good threesome ought to be.

was my first time. And my first time with another woman." **What differences do you find between Aussie guys and the blokes back home.** "American guys can be a bit more high-strung and serious." **WHAT IS THE SMALLEST PENIS YOU HAVE ENCOUNTERED?** "My first partner from high school had a two-inch, pencil-thin penis. At the time I thought it was normal. No wonder I thought sex was overrated after my first time."

**SARA**

**WHAT IS THE SMALLEST PENIS YOU HAVE ENCOUNTERED?** "I've seen so many shapes and sizes. You know it's small when it doesn't even fit in the smallest condom. Or you can't even have sex. Think of playing the world's smallest violin between your fingers."

We all need a hobby. "I'm a big drinker," says 24-year-old waitress Candy. "I could probably outdrink most men." **Pubs, clubs or at home with mates?** "I love a good pub

crawl. And I always drink with friends. But club drinking is the most fun; and dangerous because you can never say no to a tequila shot." **What about sex on premises?** "The

closest would be a car park of a busy pub, leaned against a random's car. Hopefully nobody was inside."

**WHAT IS THE SMALLEST PENIS YOU HAVE ENCOUNTERED?** "Funny you should ask, because I call myself 'the little dick magnet'. I have never ever had a big penis. It is a dream. The smallest would have to be the size of my pinky finger: I'm not even lying."

**DAISY**

MOUNT OMMANEY, QLD

24-year-old British spunk Daisy isn't falling for the cliché of the sexy air hostess tempting lucky travellers for a quick induction to the Mile High Club just after the safety demonstration and before the rubbery chicken. *Is it possible for male flight attendants to be sexy?* "I haven't seen any sexy flight attendants at all." *Air crashes sometimes result in cannibalism. Would you ever kill your own food?* "I wouldn't kill and eat anything if I knew it while it was alive, so I would have to say no."

**WHAT IS THE SMALLEST PENIS YOU HAVE ENCOUNTERED?** "All girls see big ones and small ones. And I'm no different. Some will tell you that size really doesn't matter – it is how you use it that counts. And that is true. But I suppose secretly we all like guys with bigger dicks."

"I once had sex in a lift and someone saw us"

**CHANTELLE**  
SPRING HILL, QLD

Why are French women regarded as sexy? We asked 24-year-old Chantelle, who is visting our shores. "French women are not superficial and they are confident. It's their natural attitude that is sexy." *You look very naturally confident and sexy outside.* "It was the first time someone has photographed me nude and it was funny. We had to escape other people. It was a

bit uncomfortable being nude in public." *Not a fan of public sex fun, then?* "I once had sex in a lift and someone saw us. It was funny. But I don't know if I usually like sex in public. It was not a fantasy: I just like to have fun." *And what could be more fun than a good outdoor bonking, Chazza!* **WHAT IS THE SMALLEST PENIS YOU HAVE ENCOUNTERED?** "I haven't encountered one."

**T**hey were fresh faced and full of the vigour of youth. They thought it would be an adventure. But as the light faded on Anzac Cove, history recorded another image. Gone were the smiles of boyhood and in their place, the ashen faces of war. From the tragedy of that April day, Australia grew. Strong and resilient, noble and proud. The story of Gallipoli has become our defining moment and the strength that makes you Australian. Now you can experience our greatest legend on an unprecedented scale. Introducing the "Centenary of Gallipoli Replica Rifle," an exclusive, only from The Bradford Exchange.

**An epic retold by TWO of  
Australia's greatest storytellers**

Internationally-renowned artist Robert Todonai brings you six compelling images of the Gallipoli Campaign. Across the breadth of the sculptural rifle sheath you'll take part in that fateful landing at Anzac Cove, see John Simpson define Australian bravery, experience danger in the

trenches of Quinn's Post and bear witness to the infamous Truce of May, 1915. Augmenting the art are the haunting lyrics of Eric Bogle's *And the Band Played Waltzing Matilda*. The replica is a work of art in itself, based on the actual SMLE MK III rifle used by the original Diggers. Intricate hand-crafting allows a never-before-seen level of detailing including the leather-look sheath and stitching. The stock is even embossed with a stirring centenary emblem. The edition hangs from a medallion on a leather-look strap, to complete this tribute.

**Exceptional Value. Money-Back Guarantee.**

Strong demand is expected for this Anzac tribute, so act now to acquire your "Gallipoli Replica Rifle," payable in five easy, interest-free instalments of \$39.99 – that's total of just \$199.95, plus \$19.99 postage and handling. # SIZE REALLY DOES MATTER!

**NEW  
& IMPROVED  
FORMULA**

## DO YOU WANT A BIGGER, THICKER, LONGER PENIS?

### PENIS SCIENCE 101

When it comes to the chemistry and mechanics of the penis there are many components to take into account. Unfortunately most pills on the market, even prescription pills, only address one, maybe two of these components. You probably know that testosterone is a major trigger for penis function but what about nitric oxide? Medicos have long known of the benefits of nitric oxide but it was only recently that the wonders of this molecule and its role in the function of the male member was discovered. So important was the discovery that the three pharmacologists who made the discovery were awarded the Nobel prize. Nitric oxide works on the vascular system and is an integral component in aiding the flow of blood into the penis thus providing for maximum growth potential.

### CONCENTRATED FORMULA

The ingredients of ALL NEW TESTRONE X-TREME have been shown to increase both testosterone and nitric oxide in the blood. Commonly known as the "Viagra of the Amazon", Muira Puama is a powerful ingredient known to help increase blood flow to the penis. In so doing it expands the vascular system and interior cavities making your erection larger and harder. PLUS Tribulus Terrestris which has been used in traditional Chinese and Ayurvedic cultures for thousands of years. Only the best ingredients of the highest quality are ever used in our formulations.
